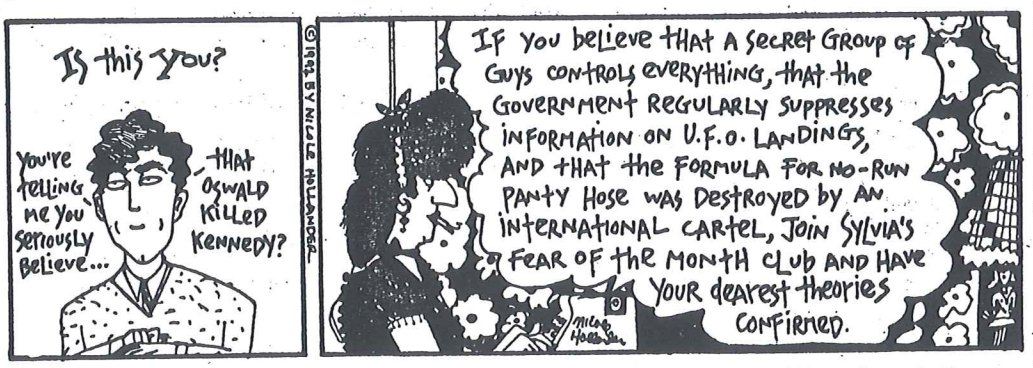
S.F. (SUNDAY) CHRONICLE

SYLVIA



Is this you?
You're telling me you seriously believe...
that Oswald killed Kennedy?
©1992 BY NICOLE HOLLANDER
If you believe that a secret group of guys controls everything, that the government regularly suppresses information on U.F.O. landings, and that the formula for no-run panty hose was destroyed by an international cartel, join Sylvia's fear of the month club and have your dearest theories confirmed.
